Important:

The above reflects our findings at the time and place of inspection based on random- selected samples in accordance with the previously agreed random statistical sampling standards. Any "test" or "check" listed in our reporting should not be regarded as the laboratory testing since they are conducted in different way. The report/certificate does not mean releasing for shipment. This report/certificate does not exempt sellers/suppliers from their commercial, legal or contractual obligations with regard to quality/quantity of delivery nor does it prejudice the buyer's right of claim toward sellers/suppliers for compensation for any found and/or hidden defects not detected during our random inspection or occurring thereafter.
